READING FOR PLEASURE FOR JUNIOR HIGH SCHOOLS

INDEX AND LIST PRICES

(Revised 1958-59)

PLEASE NOTE:

The page numbers in the left hand column refer to the descriptive section of the Reading for Pleasure Catalogue in which annotations for the recommended books are given.

Bracketed numbers following the authors are the suggested grade levels for the titles.

Separate copies of this Index, which are arranged for purposes of ordering books, are obtainable from the School-Book Branch, Department of Education.

REGULATIONS REGARDING DISCOUNT

Orders of any size which are sent directly to the School-Book Branch by students and teachers are not eligible for the wholesale rate. Such orders must be accompanied by a remittance for the full list value of the books. The School-Book Branch will prepay transportation charges.

2. Orders from school divisions, or school districts not within divisions are subject to the following regulations:

- (a) **An order amounting to less than \$10.00** total list value, will not be granted a discount. Books will be supplied at prevailing prices, postage charges prepaid by the School-Book Branch.
- (b) **An order amounting to \$10.00 or more**, in terms of retail value, will be given a discount of 15 percent off list price and transportation charges will be prepaid by the School-Book Branch. **To secure this discount benefit, the secretary-treasurer must sign the requisition form and apply the seal or stamp of the division or district.**

The discount privilege is given on the understanding that the books are to become the property of the school division or school district. However, books may be bought at a discounted rate for the purpose of reselling them to students, but the secretary-treasurer must guarantee that the students receive direct benefit by being able to purchase their books at actual cost.

PAYMENT FOR BOOK ORDERS

A covering remittance, made payable to the School-Book Branch, in the form of a certified cheque, postal note or money order must accompany requisitions sent to the Branch. No charge accounts can be opened for teachers and students. If the secretary-treasurer authorizes an order to be charged, credit for sixty days may be given to a school division or school district.

THE HISTORY OF THE UNITED STATES

OF THE UNITED STATES OF AMERICA

The first volume of this series, published in 1893, was a landmark in the history of American literature. It was the first time that a single author had written a comprehensive history of the United States, from its early days as a collection of colonies to its emergence as a powerful nation. The author, Henry Adams, was a member of one of the most prominent families in America, and his work was both a reflection of his own family's history and a commentary on the nation's progress.

Adams's history was written in a style that was both scholarly and accessible. He drew on a vast knowledge of American history and literature, and his work was both a reflection of his own family's history and a commentary on the nation's progress. The book was a landmark in the history of American literature, and it has since been recognized as one of the most important works of American history. Adams's work was both a reflection of his own family's history and a commentary on the nation's progress.

The second volume of this series, published in 1894, was a landmark in the history of American literature. It was the first time that a single author had written a comprehensive history of the United States, from its early days as a collection of colonies to its emergence as a powerful nation. The author, Henry Adams, was a member of one of the most prominent families in America, and his work was both a reflection of his own family's history and a commentary on the nation's progress.

The third volume of this series, published in 1895, was a landmark in the history of American literature. It was the first time that a single author had written a comprehensive history of the United States, from its early days as a collection of colonies to its emergence as a powerful nation. The author, Henry Adams, was a member of one of the most prominent families in America, and his work was both a reflection of his own family's history and a commentary on the nation's progress.
